SPA WELLNESS

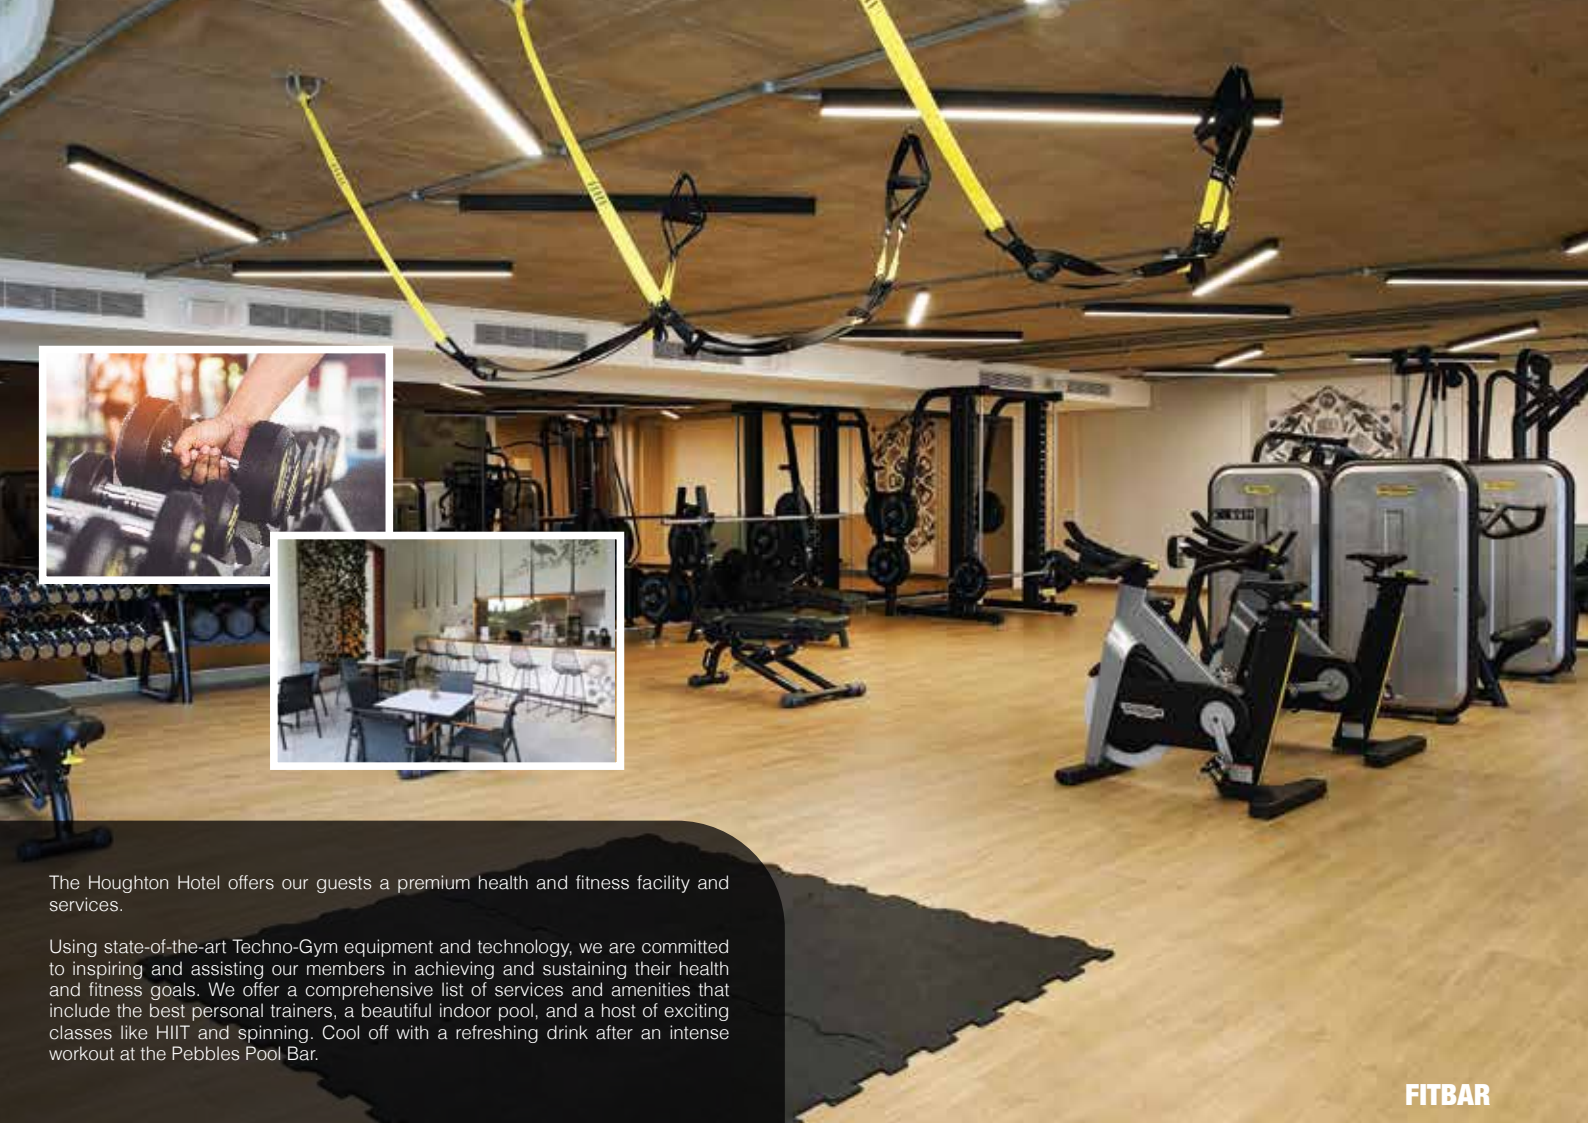

SWIMMING POOLS

The Houghton Hotel and Spa boasts a collection of swimming pools as the focal point of our recreational, wellness and spa spaces. Water is a symbol of life, flowing through everything and connecting us all.

Our swimming pools endure as one of the key attractions for our guests and visitors. Gravitate to the exquisite sparkling aquatic attractions and settle around any of the multiple water focal points on property that offer both fun and relaxation, serenity and solitude. The vast and often towering, cascading sparkling expanses are the perfect place to enjoy a relaxing swim to cool off after a long day at work or offer themselves as a perfect backdrop for rousing sundowners in the hidden gem that is our Resort piazza.

The Houghton Hotel offers our guests a premium health and fitness facility and services.

Using state-of-the-art Techno-Gym equipment and technology, we are committed to inspiring and assisting our members in achieving and sustaining their health and fitness goals. We offer a comprehensive list of services and amenities that include the best personal trainers, a beautiful indoor pool, and a host of exciting classes like HIIT and spinning. Cool off with a refreshing drink after an intense workout at the Pebbles Pool Bar.

Steeped in tradition, the Houghton Golf Club, located in the leafy suburb of Houghton, previous home of renowned statesman, Nelson Mandela, is one of South Africa's premier golfing venues. The Jack Nicklaus designed course has a proud history as a championship facility having hosted no fewer than eight SA Open events, the first of which took place in 1951. The course was the chosen venue for the prestigious Joburg Open qualifying series 2022.

We provide shuttle services to and from all Johannesburg based airports, as well as to all major shopping and business precincts in Johannesburg.

A variety of city and Soweto tours are available, kindly contact our Concierge Desk for pricing and information.
